

Invitation to Evangelization

What is evangelization?

Who should evangelize?

Why should one evangelize?

Come and Find the Answers

Join us **NEXT WEEKEND**, September 8th and 9th, after all Masses to find out all about evangelization. Questions with no answers are just frustrations, so come and find the answers to these questions and others that you might have, which are so important for Catholics of all ages.

Everyone is welcome and encouraged to find out more.

Refreshments will be available.
